Mr. Jeff Jordon,

Regarding your letter of February 5, 2016 received by me on Feb 11, 2016 - MUR 7005 - with particular reference to items 33-39 of the included compliant against Mr. Adam Victor, I submit the following in denial of the assertion regarding myself contained in the complaint:

- 1) I, Randall Harris, was not "an employee of Victor and/or Victor Entities" during 2011 and 2012 nor before or after those years. In addition to doing other nonrelated consulting work, I was employed by the Mingo County Redevelopment Authority from 2009 through 2015 to advance industrial projects in Mingo County. In that role I provided technical support to the project to advance its development. I have never received Financial or other compensation from Mr. Victor nor do I have equity in any "Victor Entities".
- 2) Travel and related expenses related to technical support of Mr. Victor's Mingo County project, not directly billed to Mr. Victor, were routinely reimbursed by Mr. Victor either to the Redevelopment Authority, in the case of items charged to their travel card, or directly to myself, for out of pocket expenses.
- 3) As a long time resident of the State of West Virginia I have known Mr. Joe Manchin for over 25 years and have consistently supported his various campaigns both financially and through volunteer efforts over the years, never having been reimbursed for expenses nor time.
